

Working together... *for a better community.*

In the past year, The News Tribune contributed more than \$1,128,700 in cash and advertising space to many South Sound agencies, campaigns and events. In addition, News Tribune employees volunteered hundreds of hours to community causes such as Paint Tacoma-Pierce County Beautiful, United Way Day of Caring, Werlin Reading Teams, March of Dimes and many more. They laced their shoes for the Hunger Walk, American Heart Walk, Cure for Juvenile Diabetes Walk, AIDS Walk and American Cancer Society Relay for Life. We are proud to be a part of this amazing community and we pledge our continued support for local organizations with our heads, our hearts and our hands.
