Dr. Federico Cruz-Urbe
Director, Tacoma-Pierce County Health
3629 South D Street
Tacoma, WA 98418

Dear Dr. Cruz:

Please accept this notice of my resignation from the Department effective May 25, 2007. My departure is for personal reasons. My time with you and my colleagues has been invaluable to me. Between now and my departure, I will concentrate my efforts on those projects to assist you and our operational managers in ensuring continuity of service levels.

I am in hopes that you will be able to provide me with a letter of reference to help me with transitioning into another position outside of this agency. I have enjoyed being part of such a forward thinking, cutting edge agency! The last 14 years have been an educational journey and an invaluable experience. And, I thank you for the opportunity to have been part of your management team.

Sincerely,

Vivienne Kamphaus
Human Resources/Risk Manager
