■ Minimum charge per publication is \$600 (net).

smaller than a two-page tab will be charged the two-page rate.

Preprint insertion is available Tuesday through Sunday. Preprints will be accepted at the publisher's option. The size (dimensions), number of pages and paper stock to be used must be furnished in advance, preferably at the time of reservation, so that a decision on acceptance can be made. Scented pieces must be pre-approved.

Space reservation deadline is 6 business days prior to publication for a daily and 10 business days prior for a Sunday. Cancellation within these deadlines may result in non-commissionable cancellation charges.

The number of preprints acceptable per issue is limited and reservations are needed. When in conflict, full-run reservations have priority over zoned reservations. The publisher retains the option of pre-inserting preprinted advertising sections, one inside the other, to meet mechanical and publishing requirements.

A preprint agreement is required to obtain published discounts. Advertisers will be billed at their preprint agreement rate until a lower rate is earned and thereafter at the lower rate. Advertiser has the right to cancel a preprint agreement within 30 days of effective date of a rate increase. 100% of advertiser-furnished preprint revenue will be credited toward performance of annual revenue agreements.

Sunday rates and distribution quantities are used on the following holidays: Memorial Day, Independence Day, Labor Day, Thanksgiving Day, the day after Thanksgiving, Christmas Day and New Year's Day.
